

Have your say!

We want to hear about what it's like getting help with your health

Groundswell with On Our Radar want to understand the barriers to healthcare you are facing whilst experiencing homelessness.

If you are street homeless, living in a hotel, hostel or 'sofa surfing' we want to hear from you.

We are asking people about their experiences of health and homelessness, and you will receive £10 for your time.

To take part in an interview, please contact either:
