

## SUPPORTING HOSPITAL DISCHARGE FOR PATIENTS EXPERIENCING HOMELESSNESS, WITH NO RECOURSE TO PUBLIC FUNDS

90 MINUTE WEBINAR

### WHO IS IT FOR?

Health care, social care, and homelessness professionals involved in enabling continuity of care from hospital to the community, including discharge planning, assessing need, enabling/providing support and accommodation in the community following discharge, commissioning, or strategic planning.

### WHAT YOU WILL LEARN

- To understand who has no recourse to public funds and what this means.
- To identify when social care or the NHS may be required to provide ongoing care (including housing/financial support), to a patient with no recourse to public funds.
- To implement best practice when working to safely discharge patients with no recourse to public funds who are destitute or at risk of homelessness.

### COURSE CONTENT

- Who has no recourse to public funds and what this means.
- Assessing and meeting care and support needs.
- NHS role in meeting ongoing care needs.
- Local authority duties and powers to accommodate people with no recourse to public funds.
- Other support options for people with no recourse to public funds.
- Steps to take when discharging a patient with no recourse to public funds.
- Achieving sustainable outcomes and good practice.
- Case studies.

### UPCOMING DATES

- Tuesday 5 April 1-2.30pm
- Wednesday 4 May 2-3.30pm
- Tuesday 17 May 1-2.30pm
