

VRF Post-Grant Evidence of Expenditure

You must use VRF grant funds in the way you set out in your original application and provide evidence of expenditure within 8 weeks of the grant being paid.

The evidence you provide helps us to audit our grant spend and understand the VRF's impact.

If, for any reason, you cannot provide evidence of expenditure within 8 weeks, please email the team (vrf@stmartinscharity.org.uk) to avoid your account being suspended.

Please note that a grant cannot be transferred from one client to another. You must also email us before using the grant on a different property or item for the same client.

How to submit post-grant evidence

All evidence must be uploaded to the application, we do not accept evidence by email. For instructions, please see the Post-Grant Evidence Guide on our [Help Page](#).
